

RULES of II4TRI:

It is very very simple.

To achieve confirmation of the contact or contacts simply connect the additional stations with

just indicative II4TRI, ONE TIME RANGE for and method of issuance.

On the air active different stations, with name only: II4TRI, on the range HF, 2 mt and 70 cm, voice (SSB) CW and digital modes (RTTY and BPSK31).

With one touch, you have the QSL card. Anyway.

There is no provision for this special edition diplomas or Award.

With more contacts you have the cumulative confirmation of the same, mode and range, PAPER QSL.

Remember that the period of the event by 05 JANUARY 2008 the 20 JANUARY 2008, inclusive.

They will be active without notice different stations .. not only remains for me to thank you for

participation, wish you a Merry 2008 and so propagation.

GOOD HUNTING.
